

St George's Leeds - Financial Support Fund - Application Form

We appreciate that at challenging times, such as the coronavirus pandemic, members of our church family may experience significant financial strain. The Financial Support Fund is set up to help by providing grants of up to £500.

Please complete this application if you have explored other sources of financial assistance and still need help. We encourage you to discuss your needs with someone in leadership at St George's so we can support you more widely alongside this application.

Your application will be received by either Lizzy Woolf (Rector) or Eve Ridgeway (Associate Rector) and will be treated as confidential to a very small group of leaders.
